

Roads of Success Gym

In Sigy - Kurdistan

ISIS attacks have caused over a million people to flee to the **Dohuk** Region in Kurdistan. Here, 25 camps have been set up for internally displaced people and refugees.

Location:

- Sigy refugees camp is about 30 km from Dohuk, Kurdistan in Iraq.
- This area was donated to the new Methodist church in Dohuk to use towards an activity center for children and teens.

Demographics of Sigy:

- 300 Christian Families
- 1,000 Yazidi Families

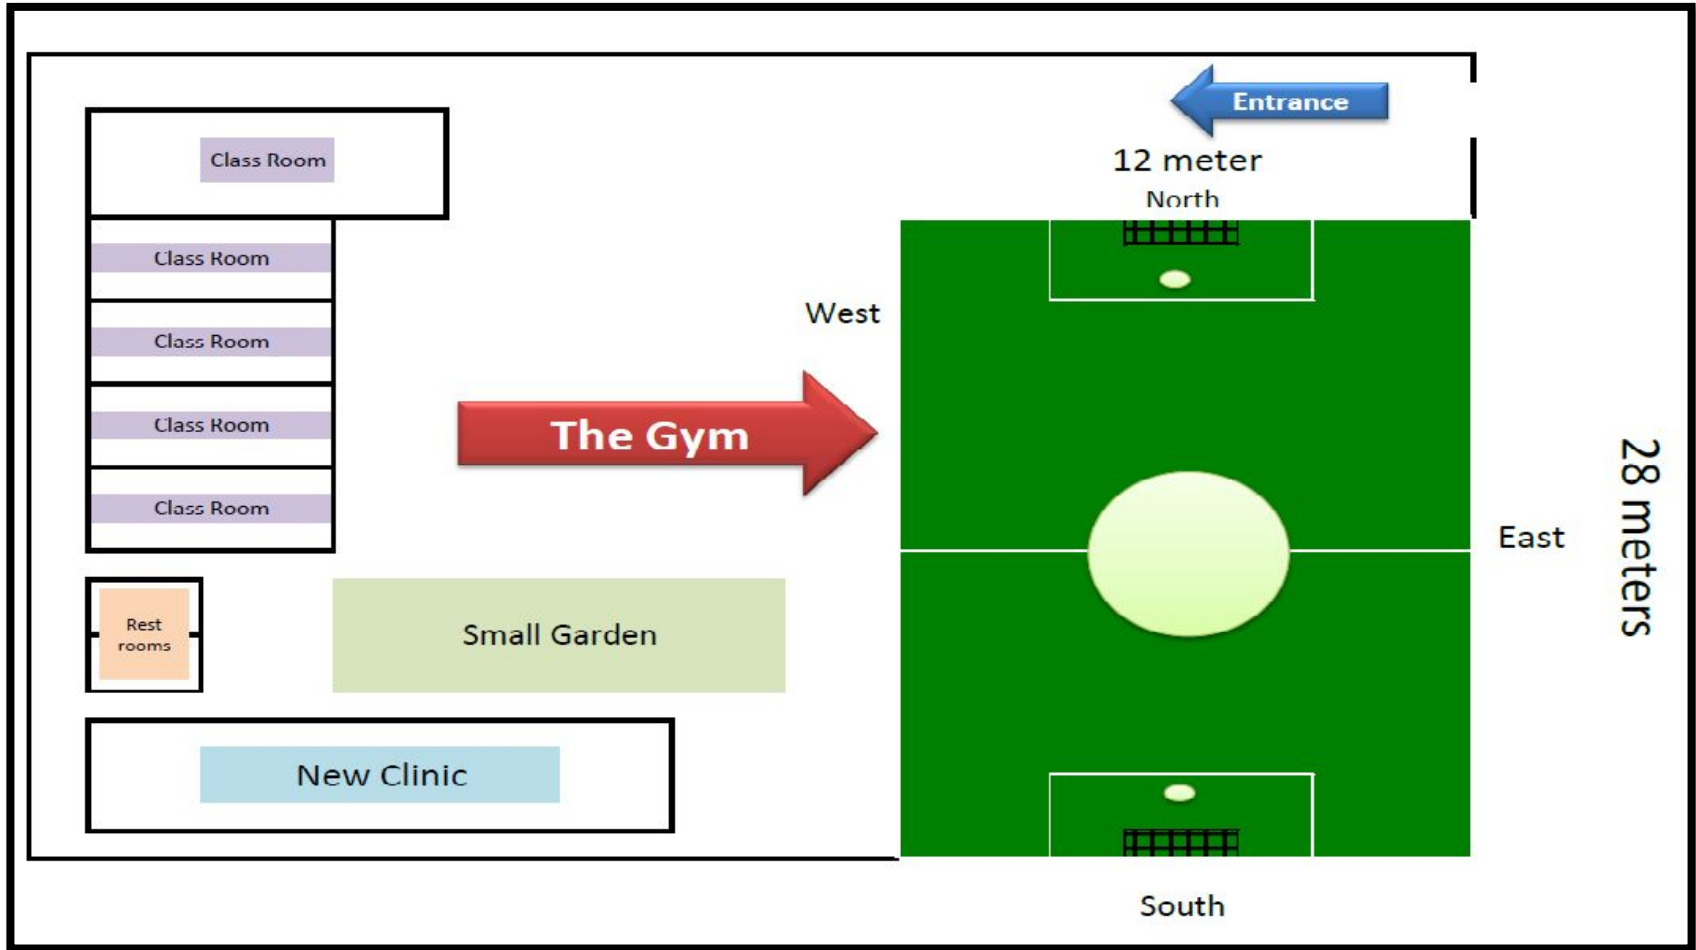

Goal of Sigy Camp Gym:

We desire to properly involve and mentor the youth in more active and healthy sports activities, with the goal being to decrease the number of depression cases and suicides rates in those age groups.

The Gym is 3616.7 square feet, benefiting **2000** kids a year!

Building the Gym:

Area before the Gym was built

Building the Gym:

Ground preparation (Cement layer)

Building the Gym:

Paving the ground with sand layer

Building the Gym:

Artificial grass (final layer)

Building the Gym:

Artificial grass (final layer)
